GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notice dated

Notice is hereby given that sealed tenders will be received by undersigned up to the 30th September 1916, 12 noon, for the supply of the undermentioned oils, grease, etc., required for the use of the Electrical Department, during the year 1916-17 (October 1916 to June 1917).

2. An approximate estimate of quantities required is given against each item in the list which quantities are not guaranteed. The quantities may be increased or diminished by 50 per cent.

3. Tenders should be submitted on their own forms accompanied by a list in the form given below showing the rates at which the different items specified in the list will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 200 in currency notes or Government Promissory Notes as earnest money and be superscribed "Tenders for the supply of oils, grease, etc., required for use of the Electrical Department for the period 1916-17, in default of which tenders will be rejected." Samples to be submitted clearly showing item number, supplier's name and price. These samples to be sent to the Office of the Chief Electrical Engineer, Bangalore, who will return those of the unsuccessful competitors, if desired.

5. The final acceptance of the tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender. The Chief Electrical Engineer reserves the right of awarding any part or portion of the supply to any tenderer.

6. After tenders are opened no charge of rates under any circumstance will be allowed. They will be opened in public at 2 P.M. on the 30th September 1916.

7. Within eight days of the acceptance of the tender, the successful competitors will be required to execute a contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

8. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. On acceptance of any one of the tenders, the earnest money on rejected tenders will be returned. The earnest money of the successful tender will be returned when the supply is completed satisfactorily.

10. The materials should be delivered in three equal instalments. One immediately and the others in January and April 1917. The successful competitor shall guarantee to maintain sufficient stock of the materials enumerated in the list at Bangalore and comply with all indents made on him during the first quarter beginning with October 1916, within two weeks of the order sent to him and follow the same procedure for the subsequent quarters commencing with January 1917 and April 1917.

11. The rate tendered for each item shall include cost of delivery either at the stores of the Electrical Department or "F. O. R." Bangalore, and shall be binding on the supplier from the date of acceptance to the 30th June 1917. No charges will be allowed for packing or carting.

12. Materials supplied found not to be up to standard in quality or to other cause, will be rejected and the supplier shall remove same and shall guarantee to replace same with fresh materials then and there. (All charges incurred on the rejected materials will be debited to the supplier.)

13. Should the successful competitor fail to supply the required material or replace the rejected material in time, the same will be purchased elsewhere and difference in cost between the rate tendered and that at which the material is purchased will be debited to his account.

14. Weights, quantities and quality of materials supplied as scaled and acknowledged by the receiving officer of the department, on supplier's invoices, to be accepted as final and no representations by the supplier of his weights, etc., being the correct ones will be considered.

15. Materials supplied different from that specified will be paid for if accepted on the basis of the articles specified in the original tender.

16. The supplier should guarantee that the articles will prove satisfactory if used in the specified services.

17. Deliveries when made from local stocks should be in two weeks and the date of delivery should be specified when the articles have to be imported.

Total indent for lubricating oils, tar and paint for use during 1916-17.
